CORRECTION

Dehmer GJ, Blankenship JC, Cilingiroglu M, Dwyer JG, Feldman DN, Gardner TJ, Grines CL, Singh M

SCAI/ACC/AHA expert consensus document: 2014 update on percutaneous coronary intervention without on-site surgical backup.

J Am Coll Cardiol 2014;63:2624-41.

1. Page 2625, “Trends in the Performance of PCI,” second paragraph, “Since the conclusion of CPORT-E, the use of PCI without on-site surgery is being reevaluated in several of these states” has been changed to read, “Since the conclusion of CPORT-E, the use of PCI without on-site surgery is being re-evaluated in several of these states.”
2. Page 2635, “Facility Requirements for PCI Programs Without On-Site Surgery,” final paragraph, “For example, to detect (with statistically certainty)....” has been changed to read, “For example, to detect (with statistical certainty)....”
3. Page 2639, Appendix 1, the legend currently reads, “This table represents all healthcare relationships of committee members with industry and other entities that were reported by authors, including those not deemed to be relevant to this document, at the time this document was under development.” It should read, “This table represents all relevant healthcare relationships of committee members with industry and other entities that were reported by authors at the time this document was under development.”

CORRECTION

Kraigher-Krainer E, Shah AM, Gupta DK, Santos A, Claggett B, Pieske B, Zile MR, Voors AA, Lefkowitz MP, Packer M, McMurray JJ, Solomon SD, on behalf of the PARAMOUNT Investigators

Impaired systolic function by strain imaging in heart failure with preserved ejection fraction.

J Am Coll Cardiol 2014;63:447-56.

On page 451, in Figure 1, 50-50% should read 45-50%.

The authors apologize for this error.

<http://dx.doi.org/10.1016/j.jacc.2014.06.012>

NOTICE

In the JACC ACC.13, Abstract Supplement (61/10 Suppl A), for abstract E112, one of the authors names was printed incorrectly.

Tyler Rhodes should have been Tyler Rhoades.

The ACC apologizes for this error.
